

It's easier here!

Western Iowa's rural landscape and rich agricultural history make it the perfect place for value-added agricultural services. Opportunities include scientific and technical consulting services, soil preparation services, veterinary services in support of agriculture, and many more.

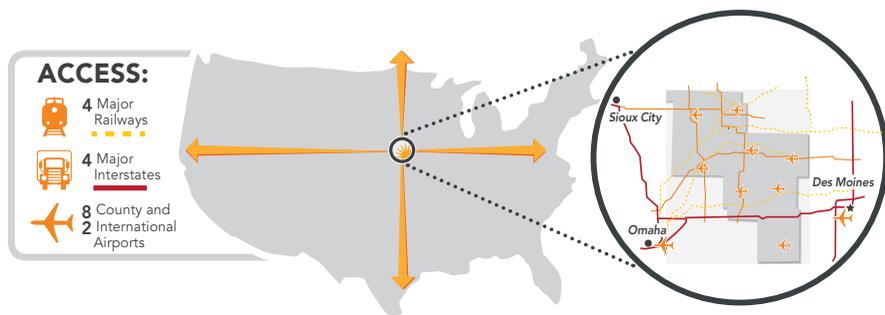

STRONG EXISTING AGRICULTURE INDUSTRY

Iowa is a major player when it comes to feeding the United States.

ACCESS TO MARKETS

With its centralized location and convenient Interstate access, companies in Western Iowa have access to an abundance of raw materials and a market of over 25 million people within a day's drive (500 miles). (source: census.gov)

WAGE COMPARISON

The Iowa workforce provides excellent value to the bio-services industry.
